

Behavioral Health Education & Training Academy presents

Transition to Independence Process (TIP) SERIES

TRAINING INFORMATION

BHETA is offering a TAY-Focused Transition to Independence Process (TIP) training series, an evidence-supported practice for improving the progress and outcomes of Youth and Young Adults with emotional/behavioral difficulties (EBD). Trainees will acquire comprehensive knowledge of the Transition to Independence Process and skills for sustainable implementation in their programs. The series is trained by local program managers who are certified TIP trainers and have implemented TIP in their own programs.

Participants will receive 9 CEs upon completion of ALL training activities. No partial CEs will be given. Please arrange accordingly with your supervisors before enrolling in the series.

AUDIENCE

All BHS therapists, counselors, family & support partners, case managers, and other direct service providers working with the transitional age youth population.
