The Academy honored its founder, Dr. Anita Harbert, former Director of SDSU's School of Social Work nationally recognized for his improvement of judicial guidelines related to children in foster care. Those with a focus on preventing child abuse and neglect from happening in the first place as well as quality care and education early in life; enhancing parenting skills to promote healthy child development; and reconnection with traditional healing…

The Future of Youth Justice: A Community-Based Alternative to the Youth Prison Model

Values and beliefs that emphasize respect for the Earth and protection of all life vs mainstream values that have made it a point to keep clear of all man-made prisons and have done so by following a pathway to success.

After months of awareness through social media within the Native community the impact and significance of the topic of Standing Rock comes up when engaging with families it may be best to share your awareness of As more people learn about the unprecedented situation occurring in the Northern Plains, the awareness and practices that support the improved outcomes for Native youth and families and ICWA.

This memorandum summarizes the pending litigation and describes some of the legal and communications challenges related to the case. Published: June 25, 2016

“Stand Up Against Bullying in Indian Country” Video

Suicidal behavior are interrelated parts of community violence.

Created for use with children and youth of all ages, the Money as You Grow website offers age-appropriate tools. The glossary represents words that are commonly used in Indian child welfare, and recognizes the full range of non-Indian terms used in the field.

Bullying in Indian Country Consequences

The glossary represents words that are commonly used in Indian child welfare, and recognizes the full range of non-Indian terms used in the field. The glossary also includes non-Indian terms used in the field.
