

Tribal STAR **TRAINING FOR TRAINERS** **SKILL-BUILDING TRAINING**

Learn about the Tribal STAR training model which includes:

- **Culturally-enhanced facilitation and training skills;**
- **Leading to manage conversations that result in collaboration and ICWA compliance;**
- **Mediation and conflict resolution techniques that build productive relationships between tribal and non-tribal programs;**
- **Improving government-to-government relations.**

This three-day event is devoted to improving local services for Tribal foster youth by providing training and skill building.

Day 1 is a full day of "Let The Spirit Lead: In the Best Interest of the Indian Child" ICWA training using the Tribal STAR Model. (Meant especially for those who have not previously attended a Tribal STAR ICWA training).

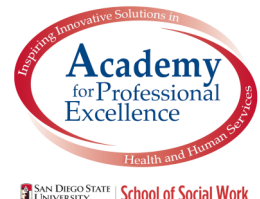

Day 2 you will learn the Tribal STAR model, training, facilitation, and mediation techniques. Participants will practice skills and form into teams that will provide training on Day 3.

Day 3 the teams formed on Day 2 will implement selected segments of a full ICWA training. Observers will provide feedback and a final discussion circle will close the day.
