

For counties that are considering developing their own FFA.

- 1) All applicants must attend a new FFA program orientation meeting at the CCL Regional Office in San Jose (2580 N. 1st St.), prior to submitting a program statement and subsequent state approval.
- 2) Orientations are **only held twice per year**. In 2016, the dates are: April 14th, and September 8th (10 am to 3 pm)
- 3) Prior to attending the orientation, the agency must submit the application form and the \$50 fee at least one week in advance. **They will not allow anyone to attend without prior receipt of the app and fee. It is recommended that staff contact the regional office at [408-324-2112](tel:408-324-2112), and notify them of their intent and coordinate with them to insure they receive the app when they need it.**
