Behavioral Health & Education Training Academy presents

Geriatric Mental Health Certificate
Booster Training
Older Adults and Hoarding

Booster Training

This Geriatric Mental Health Certificate booster training will support community mental health by providing awareness, knowledge and skills to mental health, aging, primary care, and allied professionals on hoarding related issues of older adults and their families/caregivers.

The Geriatric Certificate Training Booster will address:

- Describe types and causes of hoarding
- Discuss appropriate types of assessments and treatments for hoarding in older adults
- Identify the special considerations for treating hoarding and dementia
- Identify the special considerations for treating hoarding and serious mental illness

This course meets the qualifications for 4 hours of continuing education credit for MFTs, LPCCs, LEPs and/or LCSWs as required by the California Board of Behavioral Sciences, PCE 3776. The Academy is approved by the California Board of Registered Nursing, Provider Number BRN CEP-15014; CCAPP-EI, Provider Number 1S-98-398-0816, and CAADE Provider Number CP10-906-C0317 for 4 contact hours/CEHs. The Academy for Professional Excellence is approved by the American Psychological Association to sponsor continuing education for psychologists. The Academy maintains responsibility for this program and its content.
