Behavioral Health Education & Training Academy presents

Geriatric Mental Health Certificate

Booster Training

Older Adults and Hoarding

**Booster Training**

This Geriatric Mental Health Certificate booster training will support community mental health by providing awareness, knowledge and skills to mental health, aging, primary care, and allied professionals on hoarding related issues of older adults and their families/caregivers.

**The Geriatric Certificate Training Booster will address:**

- Describe types and causes of hoarding
- Discuss appropriate types of assessments and treatments for hoarding in older adults
- Identify the special considerations for treating hoarding and dementia
- Identify the special considerations for treating hoarding and serious mental illness
