

Tribal STAR **TRAINING FOR TRAINERS** **SKILL-BUILDING TRAINING**

Learn the Tribal STAR training model:

- **Learn to manage conversations that result in collaboration and Indian Child Welfare Act (ICWA) compliance;**
- **Mediation and conflict resolution techniques that build productive relationships between tribal and non-tribal programs.**

This three-day event is devoted to increasing capacity for successful implementation of the Core 3.0 full day ICWA training. It is for social workers, attorneys and court personnel, Tribal ICWA advocates and anyone interested in training ICWA.

Day 1 is the new Core 3.0 full day ICWA training “Working with Native American Families and Tribes”. This training will be done using Tribal STAR training techniques, and integrates the new eLearning Indian Child Welfare Act (ICWA) Introduction.

Day 3 the teams formed on Day 2 will implement selected segments of a full ICWA training. Observers will provide feedback and a final discussion circle will close the day.
