New Service Indicator for Child and Family Team (CFT) Meetings

The Child and Family Team meetings are a distinct and mandatory service for *Pathways to Well-Being* enhanced youth. In an effort to track and record the number of Child and Family Team meetings in which BHS providers participate, a new service indicator for CFT meetings has been added into the CCBH Electronic Health Record effective January 1, 2016.

When completing the service entry either on a progress note or in the Individual Service Entry view, please be sure to select “Child and Family Team (CFT)” in the field for **Provided To.**

Please note that a memo dated 1-08-16 had been forwarded to providers by Steve Jones, LCSW, Quality Management Program Manager, also informing of this addition and this information is also located on page 2 of the January 2016 “Up to the Minute”

Questions regarding this new service indicator may be directed to QIMatters.hhsa@sdcounty.ca.gov
