

Adult Protective Services Self-Neglect Home Visit Training Videos

Description

The MASTER APS-Training Program is pleased to share a 2-part training video series.

This two-part video series demonstrates an APS professional making the first unannounced home visit to investigate allegations of self-neglect.

In the *APS Training Video: Initial Home Visit, Self-Neglect, Gone Wrong* viewers will follow the APS professional as she experiences challenges and makes mistakes during the home visit.

In the *APS Training Video: Successful Initial Home Visit Self-Neglect* viewers will witness a demonstration of the APS professional utilizing best practices and Core Competency Training for a successful home visit.

Access

These training videos are available at no cost by accessing the links listed below.

Other Uses

Great for audio/visual learners, class/unit discussion, and provides an opportunity to discuss agency/county specific policies.

Training Videos

Three clips available to view:

APS Training Video: *Initial Home Visit Self-Neglect—Gone Wrong* (running time 4:15)

<https://www.youtube.com/watch?v=IJ46wWBESoY&feature=youtu.be>

APS Training Video: *Successful Initial Home Visit Self-Neglect—Alternate Intro* (running time 15:45)

<https://www.youtube.com/watch?v=nuxV1Z51YPI&feature=youtu.be>

APS Training Video: *Successful Initial Home Visit Self-Neglect* (running time 16:44)

<https://www.youtube.com/watch?v=RBCo4UBOliU&feature=youtu.be>

NOTES:

- The *Successful Initial Home Visit* interviews are the same content with different introductions.
- The *Alternate Intro* is designed for use in between the *Gone Wrong* and the *Successful Initial Home Visit* videos.
- *Successful Initial Home Visit Self-Neglect* can be used as a stand-alone video or on a day after participants view the *Gone Wrong* clip to refresh the original scenario.
