

Introduction to Motivational Interviewing

Course Code: BH0003

OVERVIEW

Motivational Interviewing (MI) is a person-centered, directive method for enhancing intrinsic motivation to change by exploring and resolving ambivalence. It is an evidence-based technique that is a collaborative, respectful, and guiding process of interaction with families and people receiving services. This is a process that focuses on resiliency and strengths. In this two session, 11-hour training, participants will learn the foundations of Motivational Interviewing and practice MI techniques. Click here to see the [training outline](#).

AUDIENCE

All BHS therapists, counselors, family & support partners, case managers, and other direct service providers working within the behavioral health system of care .
