

**GERIATRIC**  
certificate training

# Advanced Geriatric Mental Health Certificate Series

(Course Code: BH0226 )

## About This Course

### COURSE DESCRIPTION

This advanced, 4-day, skills based training series will support community mental health, aging, primary care, and allied professionals on the biopsychosocial health related issues and risk factors of older adults and their families/caregivers. This series will provide participants with skills in engagement, assessment, trauma informed care, and interventions (including CBT, DBT, MI, and WRAP) specific to the older adult population. This training includes two required 1-hour elearnings for completion of the series.
