

Child and Adolescent Needs and Strengths (CANS) Overview Training for San Diego CANS 1.0

Andrea Ocampo, MS, Senior Policy Analyst Chapin Hall at the University of Chicago

Learning Objectives

- Describe the San Diego County CANS and its purpose.
- Define the role of structured assessments in the behavior health system.
- Prepare for the on-line certification test.
- Identify the linkage between the assessment and the treatment planning process.
- Demonstrate understanding of the San Diego County CANS domains and items.
- Practice using the action levels through a mock vignette.
