NEW: Pathways to Well-Being Monthly Update Bulletin

Pathways to Well-Being (PWB) is delivering monthly bulletins designed to answer program questions and provide the latest information related to PWB

Q & A from Providers:

- 1. Question:** When sending the required documents attached to the Progress Report to CWS form, do we send the entire completed CANS tool or just the CANS results page?
Answer: Send the entire completed CANS tool and collaborate with CWS in advance of the CFT meeting wherein CANS information will be shared with the team.
- 2. Question:** Can a client in a guardianship arrangement with foster parents be PWB eligible?
Answer: If the guardianship is a legal guardianship then the answer is no, the client would not be eligible for Enhanced Services/ Subclass because they would no longer have an open CWS case. The youth would still be eligible for ICC and IHBS if they meet the definition criteria for the service provided.
- 3. Question:** Has the Expansion Training Q & A been revised?
Answer: Yes, the Expansion Training Q & A has been updated and located on the RIHS PWB and CCR webpage under ICC and IHBS Expansion section.
- 4. Question:** When using the Evidenced Based Practice (EBP) button to record participation in CFT Meetings using the ID 92 Child Family Team Service Indicator, what should be done if there is a pre-populated EBP code listed?
Answer: There are 3 EBP fields, the 1st EBP field must remain as is, you may delete the 2nd or 3rd fields if pre-populated and enter the EBP code 92 Child and Family Team Meeting.
