

Enhanced Case Management

Presented by [Leah Porter, MS, MA, LMFT](#)

Course Code: BH0221

August 28, 2019

8:30 am to 4:30 pm

Course Description

There are shifts in case management and additional services becoming available to people receiving services as a result of the Drug MediCal Organized Delivery System (DMC-ODS) implementation in San Diego County. This training will provide training participants with tools to identify and successfully apply knowledge of how to utilize newly available billable services to improve quality of care for program participants. Information will be provided on how to navigate the referral process within San Diego DMC in a timely and efficient manner. Additionally, information on the ongoing transition between mental health and substance use services with the goal of integrating the two fields of service and improving the experience for individuals under the single umbrella of Behavioral Health will be discussed.
