Telehealth Consultations for Behavioral Health Services Providers
Trainer: Steven R. Thorp, Ph.D., ABPP

Course Code: BH0282

Course Description

Telehealth has become the primary mode of behavioral health service delivery during this uncertain time. This transition from in-person to telehealth was swift for many providers. These consultation sessions are designed to support providers in making a smooth transition to delivering services via telehealth. Providers will receive support with: best practices for implementation, ways to engage participants during telehealth sessions, and direct service consultation as needed.

Please register for consultation to gain support in addressing barriers and developing tools for delivering behavioral health services using telehealth. Click Here for Outline.
