

Racial and Cultural Disparities and Access to Healthcare

Pradeep Gidwani, MD, MPH, FAAP

Educational Goal: To improve behavioral health service delivery by developing skills to recognize and assess for disparities and access to healthcare.

Learning Objectives: Upon completion of this training, participants will be able to:

- *Recognize the scope of health disparities in our systems of care*
- *Summarize the impact of Social Determinants of Health*
- *Discuss your culture and how it impacts your service delivery*
- *List three ways culture influences how you deliver and/or receive services*
- *Explain how the Cycle of Socialization impacts your service delivery*
