SECTION X  SACHS GOAL

To explore and exchange ideas and information on strategic issues facing public human services and to develop strategies for addressing these issues.

SECTION XI  PROCESS OBJECTIVES

The following process objectives were confirmed at the annual planning session in August 2020.

1. Convene quarterly meetings rotated in different locations throughout the Southern California Region.
2. Invite special audiences (e.g., fiscal, program or legislative staff) based on presentation topics.
3. Identify local, state, and national subject matter experts to present on strategic issues currently being faced by SACHS counties.
4. Provide a forum for directors to share issues that they are currently dealing with and to discuss potential strategies for addressing these issues.
Five SACHS outcome objectives were confirmed at the Annual Planning Session in August 2020. Below, after each outcome objective is an update indicating how the objective was addressed during Fiscal Year 2020-2021.

1) Conduct research to inform planning, goal setting, decision-making, and project management regarding critical issues.

The following research summary was completed for SACHS Directors in August 2020: Understanding, Motivating and Engaging the Younger Workforce (Generations Y & Z).

2) Infuse strategic issues into Leaders In Action (LIA) curriculum.

In FY 2019-2020, prior to the March 2020 suspension of in-person LIA 16 training (due to COVID-19) executives and professional trainers provided training to LIA 16 participants (guided by SACHS priorities) on the following topics:

- The Art of Influential Leadership
- Personality Styles: Navigating the Differences and Bringing Out the Best!
- The Power of Social & Emotional Intelligence
- Strengths-Based Leadership
- The Art of Facilitation
- Critical Thinking
- Cultural Connections and Self-Awareness: Leading a Diverse Workforce

To continue connections/networking among LIA 16 participants and enhance leadership skills, between May-June 2020 the following trainings were provided in a virtual format:

- Raising Hope
- The Art of Coaching-Part 1
- The Art of Coaching-Part 2

In May 2021, a total of 22 LIA 16 graduates completed the training series.

LIA staff plan to resume in-person training for the upcoming LIA 17 cohort (FY 2021-2022).

3) Coordinate efforts with other consortia regarding statewide research objectives.

- The SACHS Annual Plan and research products were shared with other California Regional Training Academies (RTAs), regional consortia, individual counties and other statewide partners as appropriate.
SECTION XII OUTCOME OBJECTIVES

4) Form a strategic coalition that works in collaboration with County Welfare Directors Association (CWDA) to influence policy and legislative initiatives that impact the Southern California region.

- Each SACHS meeting provided a forum for County Directors to explore and exchange ideas and information on issues facing public human services in the Southern California region and to develop strategies for addressing these issues. The quarterly SACHS meeting agendas allotted time for “Leader’s Circle” where Directors discussed mutual issues/challenges, innovations, promising practices, and lessons learned.
- For each main SACHS quarterly meeting discussion topic, intended outcome(s) were also identified by SACHS Directors to help guide content.
- The February 2021 SACHS Meeting included a meet-and-greet/check-in with the recently hired CWDA Executive Director, Cathy Senderling-McDonald. A joint decision was made to invite Cathy to attend two SACHS meetings per fiscal year to provide CWDA updates and allow for an opportunity to connect with SACHS Directors.
- At the February 2021 SACHS Meeting, Eileen Cubanski (Director of Budget and Fiscal Policy, CWDA) provided an informative presentation to SACHS Directors and county guests on 1991 and 2011 Realignment (changes in the administrative, programmatic, and/or fiscal responsibility for human services programs between the state and counties).
- Southern Region Child Welfare Directors also met on a quarterly basis during Fiscal Year 2020-2021 where they shared information across counties, explored resources and opportunities for strategic planning, problem-solving, and regional responses. The Southern Region Child Welfare Directors also collaborated with SACHS Directors, participating in roundtable discussions related to Child Welfare Services at the February 2021 SACHS Meeting.

5) Facilitate collaboration between San Diego State University/California State University, San Bernardino and SACHS Counties to enhance the public human services workforce by better aligning graduate characteristics and agency needs.

- Dr. Jong Won Min, Director of the SDSU School of Social Work, and Dr. Carolyn McAllister, Director of the CSUSB School of Social Work, are SACHS University Members. They both also attended a portion of the August 2020 SACHS Meeting focused on understanding, motivating, and engaging the younger workforce (generations Y and Z).
- Kimberly Mayer (Director, CalSWEC) attended portions of both the August 2020 and February 2021 SACHS Meeting discussions.
- Jennifer Tucker-Tatlow (CEO, Academy for Professional Excellence) is one of two Regional Training Academy Directors represented on the CalSWEC Advisory Board. CaSonya Thomas (San Bernardino County Human Services, Assistant Executive Officer) also serves as a County Director representative on the CalSWEC Advisory Board. In their roles they both help to promote agency/university partnerships.
