

California APS Consistency in Determining Findings Booster

Virtual Training

This interactive booster training will review concepts from the initial California APS Consistency in Determining Findings Multi-Module Virtual Skill-Building Training and provide opportunity for skills practice using the California APS Standards for Consistency in Determining Findings Matrix.

Learning Objectives:

Upon completion of this booster training, participants will be able to:

- Describe the findings standards using Preponderance of Evidence
- Evaluate potential abuse using the California APS Standards for Consistency in Determining Findings Matrix and assign a finding based on evidence provided
- Produce a findings rationale narrative utilizing all elements of the AFTER acronym

Course Requirements:

This booster training is intended for all levels of APS staff including lineworkers, supervisors, managers, and program support specialists that attended the initial California APS Consistency in Determining Findings Multi-Module Virtual Skill-Building trainings in 2021.

Presenter:

Elizabeth "Penny" Jacobo, LCSW

Elizabeth "Penny" Jacobo is the APS Training and Program Development Supervisor with the County of San Diego. She has worked in APS for 8 years and also has experience working as a case manager for adults with serious mental illness in an ACT setting.
