

# TERM: School Threat Assessment in San Diego County

The County of San Diego Behavioral Health Services and Responsive Integrated Health Solutions (RIHS) will present a training on a *School Threat Assessment in San Diego County*. This 3.5 hour in-person training will present an overview of the history of school threat assessment nationally and in San Diego County. The recently updated San Diego County School Threat Protocol will be reviewed. The roles of school districts, law enforcement, the district attorney, behavioral health and forensic evaluators will be presented by representatives from each discipline. Finally, we will be discussing the role of the TERM provider in regards to specialty assessment and in supporting the Juvenile Court.

**See Page 3 for Outline**

## Learning Objectives

- Increase awareness of school threat phenomenon on a national and local level
- Describe the San Diego County School Threat Protocol
- Explain the role of Schools, Law Enforcement, Behavioral Health (clinical and forensic) and the District Attorney
- Discuss the role of TERM in providing support to the Juvenile Court
