

NAPSA Certificate Program

What is the NAPSA Certificate Program?

The NAPSA Certificate Program is committed to strengthening Adult Protective Services programs by providing high-quality training materials in order to develop well-trained professionals who will improve the safety and independence of older and/or vulnerable adults, and persons with disabilities who are victims of abuse, neglect, self-neglect or exploitation.

Why Should I Participate in the NAPSA Certificate Program?

There are many benefits APS professionals can experience after obtaining a NAPSA certificate, including:

- APS professionals can continue to cultivate their skills by learning new tools from the specialized 23 core competencies NAPSA offers.
- Professional growth. APS professionals tend to add this certificate on their resumes.
- Allows APS professionals to connect and assist their clients better with the tools they can learn from the competencies.
- APS professionals can have a support system amongst colleagues.
- Personal growth. Person-centered tools taught in the competencies can be applied in all avenues of life.

APS professionals who have a minimum of 2 years of experience in the APS field are eligible to participate for the NAPSA certificate program.

All participants must complete all 23 core competencies by designated due date.
