## Multi-Disciplinary Team Nuts & Bolts: How to Start & How to Level-Up

This workshop focuses on how APS programs establish and maximize Multi-Disciplinary Teams (MDTs) in their counties. Panelists from small, medium and large counties will share the nuts and bolts of starting MDTs, lessons learned, the motivators and organizing principles for new and evolving MDTs, how to bring partners to the table – and keep them coming back. Models vary by county: leadership, types of cases being triaged, frequency of meetings and whether they are in-person or remote, and foundational agreements for a group’s purpose and how information can be shared. Additionally, the California Elder Justice Coalition will share resources from its A\*Team with county, state and national leaders, formed to address systemic barriers to MDT functions.

Register today – don’t miss this opportunity to leverage resources to get started or level-up an MDT in your county!

### Learning Objectives

- Learn how small, medium and large counties started their MDTs
- Identify potential challenges and steps to take to maintain productive MDTs
- Recognize when to adapt your MDT
- Garner resources to build a toolkit to help start or level-up MDTs in your county
