

# Practicing What We've Learned: California APS Consistency in Determining Findings Training

This interactive and engaging training will allow for additional practice and skill-building to support APS Professionals in increasing their comfortability in using the Guiding Principles and the CA APS Standards for Consistency in Determining Findings Matrix to evaluate evidence, determine a finding and document their findings.

## Learning Objectives

Upon completion training, participants will be able to:

1. Identify and rate the quality of each piece of evidence in a case.
2. Assign a finding using the CA APS Standards for Consistency in Determining Findings Matrix.
3. Accurately document a case finding.

## Intended Audience

The intended audience for this training is APS Professionals who have previously completed the [Consistency in Findings Multi-Module Virtual Skill-building Training](#).

## Meet the Trainer
