Support Chat for APS Investigators, Social Workers, Case Managers, and Line Staff

APSWI
Adult Protective Services Workforce Innovations

Each virtual support chat provides a space for Southern California APS Investigators, Social Workers, Case Managers, and/or Line Staff to come together for networking, connection and support to discuss challenges and successes they are experiencing and the best practices they may be utilizing. Support Chats are different from training as they are intended to provide an open space for sharing ideas, asking questions and getting support from colleagues.
